Covenant

Read by all

We are mindful of our duty to our fellow congregants, who have placed their trust in us to act as faithful stewards of the Congregation. Mindful of the trust they have placed in us, we will always strive to make decisions based on the needs of our fellow congregants, our community, and the long-term interests of the Congregation.

We must always use this position of trust and responsibility as a unique opportunity to serve our Congregation, and to put its principles of love, tolerance, and social justice into action.

Let's presume good faith. Let's give everyone a chance to talk. Let's get it done.
